* Required courses for students majoring in Korean Studies remain the same.

Korean Students: (5 courses)  Foreign Students: (5 courses)
①International Economic Relations ①Introduction to Korean Studies
②International Cooperation ②Korean Society
③Modern Korean History and Society/Modernization and Transformation of Korean Society (select 1 of 2) ③Korean History (Modern Korean History)
④Research Methodology and Skills/Comparative Methodology (select 1 of 2) ④Politics in Global Korea
⑤Dissertation Research ⑤Dissertation Research

2) Students should take at least 3 courses (9 credits) in their GSIS major program.
* Foreign students in Korean Studies should take 4 courses (12 credits) in their major program.
* You can choose major courses from other majors that are mutually recognized majors. (Refer to Mutual Recognition List)

3) Students must take courses (credits) to fulfill required credits (45 credits) to be eligible to graduate.

4) Students must take at least 3 courses (9 credits) from practical courses in their major or elective program.
5) Students can take undergraduate courses (Elective Subject for Major or Requisite Subject for Major) within 6 credits. Students should seek advice from their advisory professor before registering for an undergraduate course.

[Ph.D. Program]
A minimum of 45 credits is required for graduation.

(1) Students must take one research method course (Those who have already taken a methodology course in their Master’s program are exempted).
(2) Students should take 4 courses (12 credits) or more from their major program (International Commerce, International Cooperation, and International Area Studies).
(3) Students should take 3 courses (9 credits) or more from other major programs (International Commerce, International Cooperation, International Area Studies, and Korean Studies).
(4) Students should take at least 8 elective courses (24 credits), including “Dissertation Research” (Students taking methodology course should take at least 7 elective courses (21 credits) or more)

* “Dissertation Research” is not mandatory for students in the doctorate program. However, students may take the course up to 4 times (a maximum of 12 credits, one course per semester) and have it counted as credits required for graduation.
