* Abstract	<div><div>English</div><div>This study set out to investigate the perceptions of author's property right and its limitation provisions and the current state of copyright education among the staffs of elementary school libraries to help to increase their recognition of copyright and expand their opportunities to receive copyright education and in-service training. The investigator first examined the concept and concerned provisions of author's property right through literature study with a focus on author's property right and administered a questionnaire to figure out the recognition of copyright among the staffs of elementary school libraries. The survey was taken with the library staffs and teachers at 156 elementary schools designated as School to Receive Special Supports for Education Welfare in 2012 in Seoul. The questionnaire consisted of four major sections including the recognition of...</div><div>Add</div></div>	You can cut and paste an abstract into this box.
