Transnational
Migration and
Social Inclusion

Marina Durano is Adviser on Care Economy and Partnership Engagement at the UNI Global Union, which represents more than 20 million workers in the private services sector. Previously, she was a Senior Program Officer at the Open Society Foundations, where she managed a grant making portfolio that invested more than USD\$15 million supporting women's rights organizations, academic researchers, and labor unions to build care economies around the world. She has a long history in advocacy work in the United Nations raising gender issues in financing development, international trade policies, official development assistance, and global economic governance. She has a Ph.D in economics from the University of Manchester in the UK.
