Subject: India Foundation's Kautilya Fellows Programme

Namaskar,

As you are aware, India Foundation in association with the Ministry of External Affairs held its 1st Foreign Policy Workshop in January 2018. Following the success of the program, the 2nd edition of the workshop was held in February 2019 which included modules on both India's Foreign Policy and Public Policy and was titled as the **Kautilya Fellows Program (KFP)**. Building on the success of the previous two editions, we are happy to announce the 3rd edition of KFP from **January 26-February 3, 2020 in New Delhi, India**.

KFP is a unique and comprehensive 9-day workshop on India's Foreign Policy and Public Policy. It includes a field visit to study election campaigning in India's provincial elections. KFP is best suited for young academics, professionals and students interested in India's public policy and international relations. We request you to share the application form with interested researchers, students and faculty in the institution.

You may also nominate up to 2 suitable candidates for the programme. Please share their contact details in reply to this invitation and ask them to fill the application form. Upon receiving nominations, the Academic Council will review and revert with final selected candidates due to limited slots available in KFP.

Thank you.

Warm regards,

Ram Madhav
