

# Impact Evaluation Conference Poster Session

Greeting from the Impact Evaluation Lab in KDI School

KDI School is planning to have a *Poster Session for 2018 KDI School – 3ie Conference on Impact Evaluation in Development Research which will be held on November 22~23, 2018.*

If you participate in the conference as a poster presenter, it may be the perfect opportunity for you to showcase your research outcomes. While presenting your research in the poster session, you can have valuable comments from the conference participants who are the leading scholars and researchers in the field of impact evaluation and development economics.

For your participation, please check the detailed information below.
